Help us shape our day services and get involved. This is your chance to find out more about the **100-day challenges** (running between April and July) and plans to improve day opportunities for people with learning disabilities in Royal Greenwich.

During the event you'll have the opportunity (if you would like) to join one of three groups of people who will come together every two weeks for 100 days to develop and test ideas, learn from what works and what doesn't work.

This event is being organised and held by the **Ideas Alliance** in partnership with the Royal Borough of Greenwich. Our role is to bring different groups of people together to achieve common goals. We hope you will join us to help make the changes you want to see happen.
